Game Format

A game is played between two teams over the course of 9-holes. During the course of a game, four matches are played by at least two players from each team against each other. The winner of the game is determined by the total number of points won within all three matches. Each 9-hole match will consist of 3, three-hole matches with one point available for each one. The format is a two-person scramble and whichever team wins the most holes wins that match. There are three points available with each 9-hole match and the team with the most overall points wins the game.
