

COVID-19 Update

Dear Members and Guests:

The Bay Point Golf Club *and* KemperSports leadership teams are closely monitoring the impact of coronavirus (COVID-19) and taking preventative measures to ensure that we are providing the highest level of service and cleanliness to our members and guests.

We are following the guidelines established by the CDC for preventing the spread of the virus, and we have implemented additional sanitation measures at our facility to mitigate risk and reduce the spread of germs. This includes the following procedures:

1. We have increased frequency in cleaning schedules with a focus on public areas, including handrails, door handles, cash machines, golf carts, and other high-touch common areas.
2. Asking for our members and guests to limit cash transactions by using credit and atm cards as the preferred method of payment whenever possible.
3. Based on product availability we will be providing hand sanitizer to members, guests, and staff.
4. We have posted visual signage throughout our facility encouraging everyone to wash hands thoroughly, along with verbal communication.
5. Bunker Rakes have been removed so we ask that you please smooth bunkers with your foot when exiting.
6. All ball washers have been removed so please wet your towel prior to play for assistance in cleaning your golf ball throughout your round.
7. Golf cups have been inverted to allow for the golf ball to still be holed while allowing better accessibility to ball retrieval when leaving the flagstick in the hole.
8. All Water Cooler Stations on the golf course are closed until further notice. Bottled water may be purchased prior to your round for your beverage needs. A beverage cart attendant will also be available on the course between the hours of 8:30am – 4pm.
9. Our customary *'handshake welcome'* with our guests has been replaced with a standard "hello" to limit human contact.

Pursuant to Executive Order 2020-91 individuals will be required to maintain social distancing by riding one player per golf cart. To further assist in social distancing efforts you are welcome to call the golf shop to register prior to your round rather than registering in person at the golf shop counter. If you still wish to enter the golf shop a minimum of 5 individuals will be permitted and sections have been designated to allow for the 6ft. spacing. Also, please remember that groups of no more than 10 individuals, remaining a minimum of 6 feet apart, should congregate following a round of golf.

The health and safety of our members, guests, and staff is our highest priority and we will continue to monitor the impact of coronavirus and work with health experts to ensure that our staff is informed and prepared.

We appreciate your support and cooperation to create a safe and healthy environment at Bay Point Golf Club.

For the most updated information, please refer to [Centers for Disease Control and Prevention \(CDC\)](#) or your local health authority.
